JOB POSTING

Full-Time Day Care Worker

While hours are anticipated to be typically 9:00 a.m. - 5:00 p.m., there will be a minimum of one evening per week of programming. Also, please note that in order to meet the needs of clients, flexible shifts are required.

This position involves working in close collaboration with the Children's Counselor in providing/assisting in child-minding services for emergency, transition and the outreach program. The position will also involve working closely with the Counselors on both the E-floor and Transition floor in the scheduling of the individual and groups sessions.

This includes providing a safe and healthy environment, planning and implementing on-site and off-site activities i.e. crafts/music/baking and play therapy. Must be able to provide nutritious snacks. Other responsibilities include cleaning/sanitizing and inputting stats into HIFIS.

If you are interested in applying for this position or require further information with respect to nature of the position, qualifications, required knowledge, education and skills*, please contact **Helen Trudeau (Executive Director)** or **Christine Fenner (Program Manager)**.
